A SPECIAL INVITATION FOR YOUR IMMEDIATE CONSIDERATION...

Dear Fellow Numismatist,

Since we both share a deep appreciation for collecting outstanding coins, I'm especially excited to invite you to take advantage of a new limited-time opportunity.

I'm talking about the **2022 American Silver Eagle Mint State 70** now available for pre-sale purchase—exclusively from Rare Collectibles TV.

AN INSTANT CLASSIC

The American Silver Eagle is arguably the most beloved coin in the world, recognized by collectors as essential to any collection. This .999 fine silver coin has even surpassed the Morgan Dollar as the preferred American silver dollar coin—and with good reason.

After more than 35 years, the American Silver Eagle was released last year with a new striking reverse design that captured collectors' imaginations and shot to instant stardom. Now, with this limited-time opportunity, you can place a pre-order for the **2022 American Silver Eagle MS70** second issue, so I urge you to reserve yours today.

This modern classic coin features the stunning craftsmanship and artistry of renowned designer Emily Damstra, making it the crucial first step that you can take to start your new collection. And each coin label is **hand-signed by Emily Damstra herself**—making each one truly unique.

The reverse design of the American Silver Eagle coin is breathtaking to behold. In meticulously rendered detail, the American eagle springs to life, proudly flaring its wings as it securely wraps its fearsome talons around a majestic oak branch—our national tree, and a fitting symbol of the enduring American values of freedom, liberty and equality.

ACT NOW TO LOCK IN YOUR PRE-SALE ORDER

If history is any guide, the **2022 American Silver Eagle MS70** will be eagerly sought by ardent collectors around the world, so supplies should sell fast. But by placing your exclusive pre-order now with Rare Collectibles TV, you can jump ahead of other collectors and be assured that you won't miss the opportunity to acquire this stunning coin.

Founded in 2014 by my fellow expert numismatist Rick Tomaska and me, RCTV is

(continued on back)

recognized internationally for offering only the highest quality collectible numismatic treasures—like this **2022 American Silver Eagle MS70 signed by Emily Damstra herself**.

I have no doubt that the **2022 American Silver Eagle MS70** will become one of the centerpieces of your collection ... but you must act decisively now to lock in your order and low price before supplies run out. In fact, to ensure that we don't sell through these too fast, we are limiting sales to 10 coins per customer.

Place your pre-order for the 2022 American Silver Eagle MS70 for only \$195.00*. Choose the ordering option that is most convenient for you: Call toll-free (800) 233-4145, go to RareCollectiblesTV.com or scan the QR code below.

BONUS GIFT TO COMPLEMENT YOUR PURCHASE

We want you to get the most value and pleasure from your **2022 American Silver Eagle MS70** purchase—and there's no better way than by enhancing your pride of ownership. To thank you for placing your pre-order through this special invitation, we'll include a limited edition Numismatic Collector's Card, personally hand-signed by acclaimed designer Emily Damstra, as your **FREE Bonus Gift***!

At Rare Collectibles TV, we always guarantee your 100% satisfaction with every purchase. In the unlikely event that you are not entirely satisfied for any reason, simply return the coin and Numismatic Collector's Card within 30 days of receipt for an exchange (if available) or a refund of the purchase price, less shipping and handling.

We're confident that the **2022 American Silver Eagle MS70 signed personally by Emily Damstra** will be a key addition to your collection—and the envy of your fellow collectors—but only if you take advantage of this limited-time pre-sale buying opportunity. Please place your order without delay to secure your purchase and lock-in your low, fixed price.

THE DESIGNER BEHIND THE AMERICAN SILVER EAGLE

Emily Damstra is one of the great coin designers of the modern era

Emily earned her Master of Fine Arts in Science Illustration from the University of Michigan. She quickly established herself as a gifted designer of lifelike animal depictions and stirring scenes of the natural world. She has produced flawless designs for more than 40 coins between the US Mint and the Royal Canadian Mint, as well as postage stamps for the United Nations Postal Administration. Drawing inspiration from her lifelong residence in the Great Lakes region, Emily was the perfect artisan to create the breathtaking image of the reverse of the **2022 American Silver Eagle**. Her interpretation of the iconic American eagle and oak branch will be remembered and cherished for generations.
