

Defend your freedoms and claim your bonus gifts when you enroll as a member of the American Motorcyclist Association!

Dear Fellow Rider,

A buddy of ours was cruising down the road, totally focused on his ride, when this dimwitted driver pulls up behind him, makes a hard swerve around him, and nearly runs him off the road.

On purpose.

We hear from riders all the time that they don't get the respect they deserve. Or that they're unfairly targeted and profiled. Or that other drivers just don't "see" us.

Sound familiar?

If you're fed up being treated like you and your bike are unwelcome on the road...if you want the freedom to ride and enjoy your bike the way YOU want to...then I hope you'll accept a risk-free membership in the American Motorcyclist Association.

The AMA is the largest organization of on-road and off-road riders in the U.S. We fight for the rights of riders, put on competitive racing events, and provide all kinds of support that helps our members get more enjoyment from their rides and bikes...not to mention the chance to make new friends with fellow riders!

Your membership is completely RISK-FREE! I'll tell you more about our 100% money-back guarantee in a minute.

First, let me share some of the exclusive benefits you'll get as a new member:

A champion for your rights

The AMA represents the interests of riders to make sure their voices are heard. We work with lawmakers at the federal, state and local level to lobby on your behalf.

American Motorcyclist magazine

You'll get our full-color magazine every month with news you can use...plus fascinating stories about riders, bikes, competitive events, gear, safety tips, and much more. The magazine is included as part of your membership and available to members only. Choose either the street or competition edition of the magazine — whatever fits your riding style and interests.

AMA-sanctioned events

Open to AMA members only, these officially AMA-sanctioned races ensure that bikers compete on a level playing field and that organizers undergo a vetting process to ensure they comply with AMA rules and guidelines for the protection and enjoyment of all participants.
