# Take up to \$89 OFF Your Renewal Price!

Dear Subscriber:

Here at *Personal Finance*, we're obsessed with one thing: money.

As in: where to find it, how to hang onto it, how to make it. More of it. For you.

Big or little, we never miss an opportunity to make you a buck. That's why I'm pleased to tell you that we've slashed our prices and passed the savings onto you!

You heard right: Renew your subscription to *Personal Finance* today and you'll get it at our obscenely cheapest, penny-pinching rate available! Up to \$89 OFF the regular price!

*Personal Finance* puts the power of sound financial planning in your hands ...

**The best companies for growth.** Choose from a range of investments that outdistance the S&P 500 without breaking a sweat.

**The best companies for income.** If you like finding a juicy check in your mailbox, we'll tell you where to find safe, secure, high-dividend firms.

**The best mutual funds.** Looking for diversification? We'll steer you to coveted no-load and low-load fund groups.

**The best aggressive investments.** If your risk tolerance runs to skydiving and bungee jumping, you'll probably want to check out our selection of high risk/high reward offerings.

You'll continue to gain from the expertise of not one but five of the most respected analysts in the industry. No other publication gives you such a comprehensive overview.

**And now — you can get it at the deep-discounted price of up to \$89 off!**

Lock in your savings now ... before the price goes up.

Send back the Renewal Savings Coupon today. If you prefer, you can renew online at [www.pfnewsletter.com/renew](http://www.pfnewsletter.com/renew) or call 1(800) 832-2330 for immediate assistance.

Sincerely,

Andrea Prendergast  
Customer Service Manager

**P.S.** The earlier we hear from you, the faster we can pass the savings on to you.  
These terms may not be repeated.
